DOCUMENTATION, COLLECTION, AND PRESERVATION OF FOOTWEAR AND TIRE TRACK EVIDENCE

By

Dwane Hilderbrand, M.Ed, CFWE, CLPE

Certified by IAI

In Latent Print Examination, and Footwear
Examination

In Partnership with Jan Johnson, CSCSA, President of
Forensic Pieces, Inc.

ABOUT YOUR INSTRUCTOR:

Dwane Hilderbrand began his criminal justice career in 1975 working in the Identification Division of the Federal Bureau of Investigation for three years before accepting a position as Identification Technician with the Prince William County Police Department in Woodbridge, VA, where he continued working until 1981. Dwane then dedicated the rest of his government career to the Scottsdale, Arizona Police Department after being offered a forensic identification and crime scene position, in which he carried for twenty-four years until his retirement in October of 2005 as a Criminalist III. In addition, Dwane also earned his Bachelor's Degree in Management from the University of Phoenix followed by a Master's Degree in Education from Northern Arizona University. He is certified by the International Association of Identification as a Latent Print Examiner and Footwear Examiner, past Board of Director member and is still active with the IAI. Dwane has been invited to speak on various subjects across the United States and abroad, which is one of the results of his "involve them and they will learn" teaching style that has made him well-known in the criminal justice profession. *Each attendee will receive a publication of Dwane's book titled "Footwear, The Missed Evidence - A field guide to the collection and preservation of footwear evidence"*

DWANE HILDERBRAND, M.ED,
CFWE, CLPE

COURSE DESCRIPTION:

This training course is designed to present a series of interactive lectures using PowerPoint and various hands on exercises. This course is specifically designed for crime scene investigators and others involved in the collection and preservation of footwear and tire track evidence at a crime scene. This course focuses on learning techniques that will allow the attendee to greatly improve their documentation, collection, and preservation techniques of this critical type of evidence. An effort is made to present the material in a clear, understandable manner using lectures, open dialogs, a little bit of humor, and lots of “Hands On” exercises that are all designed to instill confidence at the next crime scene. This course will provide the crime scene investigator with a solid understanding of the proper methods for collecting and preserving a variety of different types of footwear and tire track impressions that should be found at crime scenes.

COURSE TOPICS:

- *History of Footwear and Tire Track Evidence
- *General Knowledge and Identification of Types of Track Evidence
- *Understand Importance of and Improve Collection and Preservation Process
- *Four Basic Methods of Recovery
- *Crime Scene Searching Methods
- *Terminology and Manufacturing Techniques
- *Photography of Track Evidence
- *Different Methods for Stabilization, Enhancement, and Development of Track Evidence
- *Casting of Footwear and Tire Track Impressions
- *Legal Considerations and Courtroom Testimony

WHAT TO BRING TO THE COURSE:

Casual attire is suitable. Camera: digital, 8MB or larger, detachable flash with minimum 6 foot cord, lens (minimum 55mm), shutter release cord or self-timer, and tripod, scales (mm), and at least 300 mm in length, Tape measure: Steel, at least 50 feet in length, and SD media cards.

WHO SHOULD ATTEND?

This course is designed for those individuals with the responsibility for the documentation, collection, and preservation of footwear and tire track evidence. As well as, those who are interested in acquiring the knowledge that is required to perform the documentation and analysis of footwear and tire track evidence.
