About Your Instructor:

Jan Johnson has more than 40 years of experience in law enforcement. She worked at the State of Florida, FBI, Escambia County Sheriff's Office, and the FDLE in Pensacola. She is an IAI Certified Senior Crime Scene Analyst. Her experience includes detection, collection, and preservation of physical evidence, bloodstain pattern interpretation, trajectory analysis, buried body and skeletal remains recovery, clandestine laboratories, and other crime scene investigation procedures. Jan has testified as an expert witness in more than 100 criminal cases on bloodstain pattern interpretation and crime scene reconstruction.

Course Description:

IAI Crime Scene Certification Preparation Course for Levels CCSI, CCSA, CSCSA

This concentrated, fast-moving course is designed to help you pass your crime scene certification level examination. Every book review has pre-and post-testing of hundreds of extracted questions covering every chapter; students will know their strengths and weaknesses. Whether novice or experienced, this class is a must for maximizing the chances of passing the examinations to improve your credentials by becoming certified in the crime scene specialty. Students will have a distinct advantage over those who have not attended this dedicated, intensive review course.

Hillsboro Police will facilitate a proctor for the last day of class for students to sit for the examination. If you wish to test after this course, your application must be submitted and approved at least 60 days prior. For application requirements, visit www.theiai.org/crime_scene.php.
