**In Honor of Our Beloved Founder
of Forensic Pieces Inc.,
Jan Johnson, CSCSA**

We commit to you the same techniques, structure, and integrity that our fearless leader Jan Johnson carried with her to every scene, every training, every conference, every time.

It will be our constant goal to strive, meet, and exceed the extremely high standards set by the one who led thousands all over the world to success in the areas of Crime Scene Investigation, Bloodstain Pattern Analysis, Shooting Reconstruction, Crime Scene Reconstruction, and so much more.

Each instructor and training will reflect the legacy Jan wanted for her company and the forensic community. We appreciate all the continued support as we forge ahead our new path forward. As Jan Johnson would always say:

Full Speed Ahead!

WHO SHOULD ATTEND?

This is a hands-on course that is specifically designed for patrol officers, investigators, detectives, and crime scene personnel or without experience.

WHAT TO BRING?

Casual attire is suitable. It is highly recommended that students bring a laptop computer as well as a digital camera however it is not required to attend this training.

MEET YOUR INSTRUCTOR

April Crichton, CCSA

April Crichton is a Forensic Specialist II with the Anaheim Police Department, serving a major metropolitan and tourist area. Previously with San Bernardino Police, she gained expertise in latent print examinations and crime scene processing. April trains new forensic and law enforcement personnel and is a certified Crime Scene Analyst through the International Association for Identification (IAI). A member of CSDIAI and IAI since 2011, she has contributed to bloodstain analysis training. April holds a BA in Speech Communication from California State University, Fullerton, and a Crime Scene Investigation certification. She co-authored a DNA retention study published in the Journal of Forensic Identification.

For her full professional background visit our Instructors Page at www.forensicpieces.com.

COURSE DESCRIPTION

This 28-hour course is designed to help students pass their desired level of crime scene certification exams. It offers a fast-paced review of two or three books, with numerous pre-testing exams to identify strengths and weaknesses. Suitable for both novices and experienced individuals, this course enhances your chances of certification and professionalism. Note that the tuition fee covers only the course, while exam and application fees are handled with the IAI.

The International Association for Identification Crime Scene Certification Board will arrange for a proctor on the last day of class for students to take the exam. Ensure your application is submitted and approved by the IAI at least 30 days before the exam. THIS IS A BOOK REVIEW. Check the application requirements online:

www.theiai.org/crime_scene.php.
