In Honor of Our Beloved Founder of Forensic Pieces Inc., Jan Johnson, CSCSA

We commit to you the same techniques, structure, and integrity that our fearless leader Jan Johnson carried with her to every scene, every training, every conference, every time.

It will be our constant goal to strive, meet, and exceed the extremely high standards set by the one who led thousands all over the world to success in the areas of Crime Scene Investigation, Bloodstain Pattern Analysis, Shooting Reconstruction, Crime Scene Reconstruction, and so much more.

Each instructor and training will reflect the legacy Jan wanted for her company and the forensic community. We appreciate all the continued support as we forge ahead our new path forward. As Jan Johnson would always say:

Full Speed Ahead!

WHO SHOULD ATTEND?

This course is designed to assist in the preparation for the IAI Crime Scene Investigator Certification: CCSI, CCSA and CSCSA examination. It would be beneficial to Crime Scene Investigators, Detectives, Officers, and anyone else wishing to seek IAI Certification whether or not they plan to take the exam during this class week.

COURSE DESCRIPTION

This 28-hour course is designed to help students pass their desired level of crime scene certification exams. It offers a fast-paced review of two or three books, with numerous pre-testing exams to identify strengths and weaknesses. Suitable for both novices and experienced individuals, this course enhances your chances of certification and professionalism. Note that the tuition fee covers only the course, while exam and application fees are handled with the IAI.

The International Association for Identification Crime Scene Certification Board will arrange for a proctor on the last day of class for students to take the exam. Ensure your application is submitted and approved by the IAI at least 30 days before the exam. THIS IS A BOOK REVIEW. Check the application requirements online:
